

Atlantic Canada's LARGEST Outdoor Sports & RV Show

Fly & Spin-casting Championship Junior & Senior Categories

Contest Rules:

All participants must pre-register to be eligible to compete in the casting championship. There is no cost to register for the competition. Deadline for all participants is March 1, 2010.

Preliminary Round

All pre-registered participants will be divided randomly into Junior & Senior preliminary round competitions. Participants will be contacted in advance to advise them of their preliminary round competition schedule.

Finals

The top three (3) spin-casters and top three (3) fly-casters from the preliminary round will be invited back to compete in the finals.

Scoring

- Each participant will be given a total of 3 minutes to complete one scoring cast to each target that will be positioned in the casting pond.
- Each participant will make his or her casts while standing in a predetermined location at the head of the casting pond. Any scoring attempt after the 3 minute time period will be scored as zero.
- Each target will have two scoring rings, 100 points (appx. 36 in. in diameter) and 200 points (appx. 24 in. diameter).
- Tiebreaker – if there is a tie between two or more participants we will have a "cast-off" using the same rules as above. This will continue until the highest score determines the winner.
- After the clock starts, anytime the fly or fly line hits anything, it will be considered a scoring attempt and a score between zero and 200 will be awarded.

We encourage young, old, men and women, as well as experienced anglers to participate testing your skill against the best in the business.

Hundreds of dollars in prizes available for finalists!
