- Contestants must complete a ballot for official entry. One ballot per person per day. Ballots are valid for same day only.
- Ballots will be randomly drawn until a name is drawn of a person who is at the show at the time of the draw.
- The contestant will choose from one of two rods ... a spin-casting rod or a fly-casting rod.
- The contestant will have 5 minutes to practice casting (away from casting pool). Instructors are available to help first time fishers during the practice session.
- After the practice session is complete, a 6 inch diameter target ring will be placed in the pool approximately 35 ft. away.
